Our Purpose

To be the leading mining, construction and services contractor, throughout Australia and selected international markets, committed to achieving sustainable and profitable growth through ingenuity and innovation, delivering better outcomes for our clients.

Our Values

People Focussed – we care, respect and invest in our people and are committed to their well being. The safety of everyone is foremost in everything we do.

Future Oriented – we shape sustainable outcomes that align with the needs and aspirations of our people, clients, partners, community and the natural environment.

Performance Driven – we hold ourselves accountable for a disciplined and professional approach to deliver exceptional performance. We reward and celebrate success. Our commitment to always deliver sets us apart.

Acting with Integrity – we are open and honest and respect the values of others. We do what we say we will do.

Innovative Solutions – we have a culture that fosters new ideas and better ways to deliver creative outcomes.

One Team – we recognise, support and harness the diverse talents of our organisation and partners, providing integrated solutions that deliver optimum outcomes. We build collaborative relationships to achieve the best results.
